

If the Security Instrument is in the form of a letter of credit, it shall designate SCE&G as beneficiary with authority to draw drafts on the issuer for the secured amount. Such Security Instrument shall also provide that SCE&G may draw the full amount of the security in the event it has not been renewed, extended or replaced on or before thirty (30) days prior to the expiration date of such Security Instrument.

8.2.2 If at any time during the term of the Security Instrument under Section 8.2.1 there is a change in federal tax law or any other event that, in a legal opinion of nationally recognized tax counsel addressed to SCE&G in form and substance reasonably satisfactory to SCE&G, will eliminate the Potential CIAC Tax Liability, and/or with respect to a decrease in the value of the security to be provided pursuant to Section 8.3, receipt of an opinion of an independent qualified appraiser, in form and substance reasonably satisfactory to SCE&G. SCE&G agrees to release to the Customer said Security Instrument or any portion of said Security Instrument in excess of SCE&G's Potential CIAC Tax Liability, or to reduce the secured amount required pursuant to Section 8.3, as may be appropriate.

8.3 Determination of Secured Amount.

8.3.1 The determination of the amount of the Security Instrument to be supplied pursuant to this Article VIII shall be based upon the fair market value of SCE&G's Interconnection Facilities constructed, installed or modified hereunder. The Parties agree that the fair market value of SCE&G's Interconnection Facilities is deemed to be the depreciated replacement cost of such SCE&G's Interconnection Facilities, as prescribed by IRS Notice 90-60 and set out in Exhibit 7. The Parties hereby agree that Exhibit 7 shall be amended from time to time as appropriate to reflect additions, deletions or other changes to SCE&G's Interconnection Facilities and/or federal income tax law.

8.3.2 Customer shall initially provide security in an amount equal to the product of the depreciated replacement cost of SCE&G's Interconnection Facilities times SCE&G's Tax Factor (net federal and state tax rate) as set forth in Exhibit 7 for the calendar year in which the Security Instrument is first provided, subject to a gross-up for payments, if any, made by Customer to SCE&G pursuant to this Article 8. SCE&G shall, within thirty (30) days after the execution of this Agreement, provide Customer with an initial estimate of the value of the Security Instrument, based upon the estimate set forth in Section 7.1.1. These projected figures, however, shall be adjusted to reflect actual construction costs.

8.3.3 SCE&G reserves the right, in appropriate circumstances, to request that Customer increase the value of the Security Instrument during its term under Section 8.2.1 to reflect changed circumstances including, but not limited to, an increase in the taxable value of SCE&G's Interconnection Facilities or other direct assignment facilities directly attributable to Customer or changes in tax law that may affect SCE&G's tax position vis-à-vis the construction and installation of New Capital Additions, to ensure that the existing security is sufficient to cover the Potential CIAC Tax Liability. Such request shall be submitted with supporting documentation showing a change in the depreciated replacement cost of SCE&G's Interconnection Facilities, calculated in accordance with standard utility accounting practices. The Customer shall increase the secured amount within thirty (30) days of receipt of notice and supporting documentation from SCE&G of any such adjustment to these costs. If Customer does not agree with the request, then Customer shall have the right to show that, in a legal

opinion of nationally recognized tax counsel addressed to SCE&G and in form and substance reasonably satisfactory to SCE&G, and/or an opinion of an independent qualified appraiser in form and substance reasonably satisfactory to SCE&G, the increase will not ultimately be required. In the event that the Customer fails to increase the value of the Security Instrument and SCE&G has not received an opinion pursuant to the foregoing sentence reasonably acceptable to SCE&G within thirty (30) days of the receipt of notice from SCE&G, SCE&G shall have the right to seek termination of and/or may suspend its service to the Customer until it increases the secured amount to the level requested by SCE&G .

8.4 Payment of Tax and Reconciliation.

8.4.1 In the event that a Taxable Event occurs, SCE&G shall invoice Customer in accordance with Section 7.4, and upon the failure of Customer to pay such amounts in accordance with Section 7.4, SCE&G may exercise its rights under the security arrangement and draw upon all amounts necessary to pay the applicable taxes. If, in SCE&G's judgment, there are insufficient funds from such security to pay the applicable taxes, the Customer agrees to provide SCE&G with the balance of the funds needed within thirty (30) days notice from SCE&G of such insufficiency. Any excess funds held as security hereunder shall remain at SCE&G's disposal until SCE&G has received a final determination from the taxing authorities as to the taxes applicable as a result of such Taxable Event.

8.4.2 Upon such final determination, there shall be a reconciliation of the actual tax liability payable by SCE&G as a result of the Taxable Event, including any interest or penalties (only if due to a failure of the Customer), and amounts provided by the Customer, in the form of security or otherwise. If the funds provided by the Customer prove insufficient to cover SCE&G's actual tax liability, the Customer shall pay SCE&G the amount of the underpayment within thirty (30) days notice from SCE&G of the additional amount owed. If SCE&G receives a refund from the taxing authorities of any amounts paid in connection with the Taxable Event, SCE&G shall refund to the Customer such amount refunded to SCE&G within thirty (30) days of SCE&G's receipt of such refund. In the event that said actual tax liability had not as yet been fully paid by SCE&G, in the form of estimated tax payments or otherwise, SCE&G shall refund the amount paid by the Customer in excess of SCE&G's actual tax liability. Interest shall be computed and paid from the date of collection by SCE&G from Customer until the date of refund by SCE&G to Customer pursuant to the provisions of 18 C.F.R. §35.19a. Once the Customer has fulfilled all of its obligations with respect to the final determination of the actual tax liability payable and SCE&G is no longer subject to any Potential CIAC Tax Liability, SCE&G shall release the Customer from its obligation to provide the Security Instrument under Section 8.2.

8.5 Independent Engineer Report. On or before the Commercial Operation Date, Customer shall provide a report from an independent engineer establishing that during the first ten taxable years beginning as of the Commercial Operation Date, no more than five (5) percent of the projected total power flows over the Interconnection Facilities will flow to the Facility. "Total power flows" for purposes of this Section 8.5 means power flows to or from the Facility over the Interconnection Facilities. Such report shall meet the requirements of the "5% test" as set forth in IRS Notice 88-129, as amended by IRS Notice 90-60.

8.6 IRS Private Letter Ruling.

8.6.1 Upon written request by the Customer, SCE&G shall, at Customer's sole cost and expense, request and diligently prosecute a Private Letter Ruling ("PLR") from the IRS on the taxable nature of the transactions contemplated by this Agreement on behalf of SCE&G. Customer must submit such written request prior to the Commercial Operation Date. SCE&G shall (i) allow Customer to review and comment on the PLR request and (ii) provide Customer with copies of all filings. Customer shall be responsible for all reasonable actual and documented costs that SCE&G incurs in pursuing the Private Letter Ruling, including but not limited to, retaining outside tax counsel with expertise in such matters, all regulatory, filing and application fees and any other reasonable expenses, including apportioned salary and overhead costs, deemed appropriate and necessary for preparing, managing and obtaining the ruling. SCE&G shall bill Customer monthly for such costs in accordance with Section 7.4. SCE&G shall not be responsible for pursuing or continuing to pursue the Private Letter Ruling if the Customer has not complied with these payment provisions.

8.6.2 SCE&G shall, in its sole discretion, control the outcome of the PLR request, including, without limitation, any decision to forego the issuance of a non-favorable PLR and to pursue any available legal remedies.

ARTICLE IX FORCE MAJEURE

9.1 Applicability of Force Majeure. In the event either Party is rendered unable, wholly or in part, by Force Majeure to carry out its obligations under this Agreement, other than the obligation to pay money when due, it is agreed that on such Party's giving notice and reasonably full particulars of such Force Majeure in writing or by means of electronic transmission of written text, which notice shall be given to the other Party within forty-eight (48) hours of the determination by the affected Party that a condition or event of Force Majeure has occurred, but in no event later than thirty (30) days from the date of the occurrence of the condition or event of Force Majeure relied on, the obligations of the Party giving such notice, to the extent that they are affected by such Force Majeure, shall be suspended pursuant to this Article IX during the continuance of any inability so caused, but for no longer period, and such cause shall be remedied with all reasonable dispatch and the Party claiming Force Majeure shall give the other Party prompt notice of such Force Majeure being remedied. In no event will any delay or failure of performance caused by any condition or event of Force Majeure extend this Agreement beyond its stated term. In the event that a Party's performance hereunder is excused by a condition or event of Force Majeure, the other Party's obligations related to such excused performance shall be likewise excused other than any obligation to pay money when due.

9.2 Definition of Force Majeure. An event of Force Majeure means any act of God, labor disturbance, act of the public enemy, war, insurrection, riot, fire, storm or flood, explosion, material breakage or accident to machinery or equipment, any curtailment, order, regulation or restriction imposed by governmental authorities, or any other cause reasonably beyond a Party's control. A Force Majeure event does not include: (i) the bankruptcy or insolvency of a Party; or (ii) an act of negligence or intentional wrongdoing or any rules, procedures and protocols of any Third Party System Operator. Neither Party will be considered in default as to any obligation under this Agreement if prevented from fulfilling the obligation due to an event of Force

Majeure. However, a Party whose performance under this Agreement is hindered by an event of Force Majeure shall make all reasonable efforts to perform its obligations under this Agreement.

ARTICLE X ASSIGNMENT

10.1 Assignment.

10.1.1 Except as otherwise provided in Sections 10.1.2, 10.1.3 and 10.2, either Party may assign this Agreement, or any portion thereof, only upon fulfillment of the following conditions: (i) prior notice of any such proposed assignment shall be provided to the other Party; (ii) any assignee shall expressly and in writing assume assignor's obligations hereunder; (iii) assignee shall replace the security given by Customer hereunder in compliance with Article VII, if applicable; (iv) the assignor or assignee shall first have obtained such approvals, if any, as are required by all applicable regulatory bodies prior to such assignment becoming effective; and (v) the non-assigning Party, and, if applicable, the non-assigning Party's Lender(s), consent to the assignment in writing, provided such consent, if the conditions set forth in subparts (i) through (iv) of this Section 10.1.1 are fulfilled, shall not be unreasonably withheld, conditioned or delayed; *provided, however*, that SCE&G may freely delegate its obligations hereunder, in whole or in part, to one or more of its Affiliates, but SCE&G shall remain liable for the proper performance of its obligations under this Agreement notwithstanding such delegation.

10.1.2 Notwithstanding the provisions of Section 10.1.1 above, Customer may transfer or assign its interest hereunder to an Affiliate, or to a successor in interest of Customer (or its parent) by virtue of a merger, acquisition or other similar corporate transaction involving all or substantially all of the assets of Customer, without obtaining the consent of SCE&G, *provided* that the assignee has a credit status which, in SCE&G's reasonable opinion, is at least as sound as that of Customer and the condition contained in Section 10.1.1(ii) has been satisfied. Further, if (i) SCE&G is reconfigured or reorganized, or if any successor Affiliate, organization or transmission supplier succeeds to SCE&G's responsibilities for interconnection agreements generally, and (ii) the conditions set forth in Sections 10.1.1(i), (ii) and (iv) have been satisfied prior to the effective date of such assignment, then SCE&G may assign this Agreement to such Affiliate, organization or successor transmission provider without the written consent of Customer or its Lender(s).

10.2 Financing Agreement. Notwithstanding any other provision of this Agreement, either Party shall have the right to collaterally assign this Agreement to any Lender or any Lender's agent (each such assignee being referred to herein as a "Collateral Assignee"); *provided, however*, that no such assignment shall be effective for purposes of this Section until the assigning Party shall have notified the other Party of such assignment, which notice shall include the name and address of the Collateral Assignee. So long as any assignment of which the other Party has been notified, or any consolidation, modification, or extension of any such assignment, shall remain outstanding, the following provisions shall apply:

10.2.1 A Party shall, upon serving upon an assigning Party any notice of default under this Agreement, also serve a copy of such notice upon each Collateral Assignee at the address

provided for in the notice referred to above. No notice of default under this Agreement shall be deemed to have been duly given unless and until a copy thereof shall have been so served.

10.2.2 The making of a collateral assignment pursuant to this Section 10.2 shall not be deemed to constitute an assignment or transfer of this Agreement, nor shall any Collateral Assignee, as such, be deemed to be an assignee or transferee of this Agreement so as to require such Collateral Assignee, as such, to assume the performance of any of the terms or conditions on the part of the assigning Party to be performed hereunder; provided however such Collateral Assignee shall have the right (i) to assign its security interest in this Agreement; (ii) to enforce its lien by any lawful means; (iii) to foreclose its security interest on the Agreement and to perform all obligations to be performed by the assigning Party hereunder, or to cause a receiver to be appointed to do so; and (iv) to acquire the assigning Party's interest in this Agreement by an assignment in lieu of foreclosure and, subject to the following sentence, thereafter to assign or transfer such interest in the Agreement to a third party and with respect to Customer, provided such transfer is in connection with any sale of the Facility, SCE&G's prior written consent shall be required for the acquisition by a third party (other than a Collateral Assignee) of Customer's interest in the Agreement by foreclosure or assignment in lieu of foreclosure; provided that SCE&G agrees not to unreasonably withhold, delay or condition its consent if such third party agrees to assume and to perform all of Customer's duties and obligations under this Agreement.

10.2.3 Any election by any Collateral Assignee to assume this Agreement, any sale of this Agreement in any proceeding for the foreclosure of any assignment, or the assignment or transfer of this Agreement in lieu of the foreclosure of any assignment shall be deemed to be a permitted sale, transfer, or assignment of this Agreement, provided such Collateral Assignee, assignee or transferee, as the case may be, agrees to assume and perform all of the assigning Party's duties and obligations under this Agreement and this Agreement shall continue in full force and effect following any such assumption, sale, transfer, or assignment.

10.2.4 At either Party's request, the other Party shall amend this Agreement to include any provision which may reasonably be requested by a Lender; provided, however, that such amendment does not impair any of such Party's rights under this Agreement or materially increase the burdens or obligations of such Party hereunder, as determined by such Party.

10.3 The Parties agree to execute and deliver such documents (including any amendments hereto) pursuant to Section 10.2 as may be reasonably requested by the requesting Party at the requesting Party's cost and expense including any legal fees reasonably incurred by the non-requesting Party.

ARTICLE XI LIABILITY AND INDEMNIFICATION

11.1 Each Party shall be responsible for direct physical damage to the real or personal property, equipment, or systems of the other Party or third parties, or for injury or death to any person, and any claims therefor, only to the extent such damage results from the intentional misconduct or the negligent acts or omissions of that Party, and each Party hereby agrees to defend, indemnify, and hold harmless the other Party and its Affiliates and their agents, employees, directors, and representatives, from all suits, actions, or claims arising therefrom.

11.2 When the concurrent negligence or intentional misconduct of the Parties, or of one Party and a third party, results in a direct loss or claim for which either Party could incur liability as set forth in Section 11.1, each Party shall be liable for, and shall defend, indemnify and hold harmless the other Party and its Affiliates and their agents, employees, directors, and representatives from, all suits, actions, or claims, to the extent such loss or damage results directly from the negligence or intentional misconduct of that Party.

11.3 Environmental.

11.3.1 Customer shall indemnify and hold harmless SCE&G against any and all claims, demands, losses, liabilities, expenses, fines, and penalties, including interest and attorneys' fees, resulting from any alleged violation or violation of applicable federal, state, or local environmental laws or regulations arising out of the design, construction, operation, maintenance or ownership of the Facility or the SCE&G switchyard adjacent to the Facility, including the site upon which the foregoing are located, *except* to the extent the presence of such environmental contamination results from the negligence or intentional misconduct of SCE&G or its Affiliates.

11.3.2 SCE&G shall indemnify and hold harmless Customer against any and all claims, demands, losses, liabilities, expenses, fines, and penalties, including interest and attorneys' fees, resulting from any alleged violation or violation of applicable federal, state, or local environmental laws or regulations arising out of the design, construction, operation, maintenance or ownership of the SCE&G's Interconnection Facilities, including the site upon which the foregoing are located, *except* to the extent the presence of such environmental contamination results from the negligence or intentional misconduct of Customer, its affiliates, or Eastman Chemical Company-Carolina Operations or any of its employees, directors, officers, agents, representatives, affiliates, successors and assigns.

11.4 [Intentionally omitted.]

11.5 Notwithstanding any other provisions of this Article XI, each Party shall be liable for any suits, actions, or claims for occupational injuries (including death) to its own employees, agents, or representatives arising from the performance of the Work hereunder, from which each Party hereby agrees to defend, indemnify, and hold harmless the other Party, its Affiliates and their agents, employees, and representatives. Each Party expressly acknowledges and agrees that its indemnification under this Section 11.5 shall be in full force and effect whether or not the other Party, its Affiliates, or their agents, employees, and representatives was or is claimed to be passively, actively, solely, jointly, or concurrently negligent, and regardless of whether liability without fault is imposed or sought to be imposed on the other Party or its Affiliates, agents, employees, and representatives; *provided, however*, neither Party shall be liable for or have any indemnity obligation to the extent such suits, actions, or claims for occupational injuries (including death) to its own employees, agents, or representatives that result from the negligence or willful misconduct of the other Party.

11.6 Promptly upon receipt by a Party of any claim or notice of the commencement of any action, administrative or legal proceeding, or investigation as to which the indemnity provided for in this Article XI may apply, the Party entitled to indemnification ("Indemnified Party") shall notify the other Party ("Indemnifying Party") in writing of such fact. The Indemnifying Party shall promptly assume the defense thereof with counsel chosen by the

Indemnifying Party and reasonably satisfactory to the Indemnified Party; *provided, however*, that if the defendants in any such action include both the Indemnified Party and the Indemnifying Party and the Indemnified Party shall have reasonably concluded that there may be legal defenses available to it that are different from or additional to, or inconsistent with, those available to the Indemnifying Party, the Indemnified Party shall have the right to select and be represented by separate counsel, at the Indemnifying Party's expense. If the Indemnifying Party fails to assume the defense of a claim meriting indemnification, the Indemnified Party may, at the sole expense of the Indemnifying Party, contest, settle or pay such claim, *provided* that settlement or full payment of any such claim may be made only following consent of the Indemnifying Party or, absent such consent, written opinion of the Indemnified Party's counsel that such claim is meritorious or warrants settlement. In the event that a Party is obligated to indemnify and hold the other Party and its successors and assigns harmless under this Article X, the amount owing to the Indemnified Party will be the amount of the Indemnified Party's actual loss net of any insurance proceeds received by the Indemnified Party following a reasonable effort by the Indemnified Party to obtain such insurance proceeds.

11.7 Other Indemnification

11.7.1 Customer shall indemnify and hold harmless SCE&G, its Affiliates, employees, directors, officers, agents, representatives, successors and assigns from and against all claims, actions and alleged liability of any kind arising directly or indirectly, in whole or in part, from Customer's failure to properly and adequately construct, maintain or operate its Facility in accordance with Good Utility Industry Practice, and whether or not the same is caused by negligence of SCE&G, its Affiliates, employees, directors, officers, agents, representatives, successors or assigns provided that this provision shall not apply to Customer's Interconnection Facilities to the extent caused by the intentional misconduct or negligence of SCE&G.

11.7.2 SCE&G shall indemnify and hold harmless Customer, its Affiliate, employees, directors, officers, agents, representatives, successors and assigns from and against all claims, actions and alleged liability of any kind arising directly or indirectly, in whole or in part, from SCE&G's failure to properly and adequately construct, maintain or operate SCE&G's Transmission System in accordance with Good Utility Industry Practice, and whether or not the same is caused by negligence of Customer, its Affiliates, employees, directors, officers, agents, representatives, successors or assigns provided that this provision shall not apply to SCE&G's Interconnection Facilities to the extent caused by the intentional misconduct or negligence of Customer.

11.8 Notwithstanding any of the foregoing, neither Party shall be liable to the other, based on contract, tort (including negligence, intentional acts, or strict liability), warranty, or any other theory of liability, for any consequential, indirect, punitive, special, or incidental loss or damage, loss of use of property or equipment or systems, loss by reason of Facility or SCE&G's Transmission System shutdown or service interruption, costs of capital, loss of profits or revenues, cost of purchased or replacement power (including additional expenses incurred in using existing power facilities), claims by customers of either Party, or for any other indirect or consequential loss connected with, relating to or arising out of this Agreement, and each Party hereby expressly releases the other Party from and indemnifies the other Party for liability for all such losses and damages.

ARTICLE XII

12.1 The Parties shall provide and maintain the following insurance in full force and effect during the term of this Agreement with responsible insurance carriers authorized to do business in the State of South Carolina with a Best's rating of AVII or better or other non-rated companies acceptable to both Parties:

12.1.1 Workers Compensation Insurance covering the insured Party's employees as required by the laws of the State of South Carolina and Employers Liability Insurance with limits of one million dollars (\$1,000,000) per occurrence. Such coverage shall waive subrogation.

12.1.2 Automobile Bodily Injury and Property Damage Liability Insurance covering automobiles owned, non-owned, hired or leased by the insured Party with limits as follows:

- a. Bodily Injury: \$1,000,000 each occurrence; and
- b. Property Damage: \$1,000,000 each occurrence.

12.1.3 Commercial General Liability insurance with bodily injury and property damage combined single limit of one million dollars (\$1,000,000) per occurrence and a one million dollar (\$1,000,000) annual aggregate limit. Insurance shall include, but not necessarily be limited to specific coverage for contractual liability encompassing this Agreement, explosion, collapse and underground hazards, broad form property damage liability, and personal injury.

12.1.4 Excess Umbrella Liability insurance with a limit of ten million dollars (\$10,000,000) per occurrence and annual aggregate for combined bodily injury and property damage.

12.1.5 Property All Risk insurance in amounts equal to the replacement cost value of their respective Interconnection Facilities, including Boiler & Machinery coverage for Customer.

12.1.6 SCE&G shall maintain Property, Commercial General Liability and Excess Umbrella Liability insurance coverage on SCE&G's Interconnection Facilities with terms and conditions mutually acceptable to both Parties at the expense of Customer. The costs of such insurance specifically procured or maintained by SCE&G for this purpose will be included as part of the Monthly Facilities Fee. Said coverage shall be applied to insurable losses to SCE&G's Interconnection Facilities.

12.2 The liability coverage specified in Section 12.1 above may be on a claims-made or occurrence basis, with a minimum twelve (12) month discovery period.

12.3 Subject to the provision of Section 12.1.5, all policies of general, automobile, and excess liability insurance to be maintained by the Parties shall provide for waivers of subrogation, set-off or counterclaim, or other deduction, and provide that the other Party is named as an additional insured.

12.4 Subject to the provisions of Section 12.1.5, all premiums and deductibles shall be the sole responsibility of and for the account of the insured Party. If at any time any of the insurance coverage obtained pursuant to this Article XII shall fail to comply with the requirements set forth herein, the insured Party shall within twenty-four (24) hours apply for a new policy that complies with such requirements. Any new policy or legal proof of insurance shall be submitted immediately to the other Party. Failure of a Party to provide or maintain any insurance required under this Agreement shall not relieve that Party from any liability under this Agreement. Either Party may use self-insurance to fulfill the insurance requirements set forth herein where consistent with the provisions of this Article XII and for types of insurance coverage for which self-insurance is customarily used by the Party in question.

12.5 Evidence of insurance required pursuant to this Agreement in the form of insurance certificates, showing that the other Party is named as an additional insured, shall be furnished to the other Party prior to commencement of the Work. All such insurance certificates shall provide that the policies may not be cancelled or materially changed without thirty (30) days prior written notice to the other Party.

ARTICLE XIII NOTICES

Any notice so given personally shall be deemed to have been served on delivery, any notice so given by express courier service shall be deemed to have been served two (2) working days after the same shall have been delivered to the relevant courier, and any notice so given by facsimile transmission shall be deemed to have been served on dispatch. If any such examination reveals any inaccuracy in any statement, the necessary adjustments in such statement and the payments thereof shall be promptly made and shall bear interest calculated at the Delayed Payment Rate from the date the overpayment or underpayment was made until paid; provided, however, that no adjustment of any statement or payment shall be made unless objection to the accuracy thereof is made prior to the lapse of three (3) years from the date of the statement; and provided, further, that this Section 14.2 shall survive any expiration or other termination of the Agreement for a period of three (3)

15.2.3 The execution and delivery of this Agreement, the consummation of the transactions contemplated hereby and the fulfillment of and delivery of this Agreement, the consummation of the transactions contemplated hereby and the fulfillment of and compliance with the provisions of this Agreement, do not and will not conflict with or constitute a breach of or a default under, any of the terms, conditions or provisions of any law, regulation, rule, order or other requirement of any governmental authority, or any partnership agreement, deed of trust, mortgage, loan agreement, other evidence of indebtedness or any other agreement or instrument to which SCE&G is a party or by which it or any of its property is bound, or result in a breach of or a default under any of the foregoing.

15.2.4 This Agreement is the legal, valid and binding obligation of the SCE&G and is enforceable in accordance with its terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization or similar laws relating to or affecting the enforcement of creditors' rights generally or by general equitable principles, regardless of whether such enforceability is considered in a proceeding in equity or at law.

15.2.5 There is no pending or, to the knowledge of SCE&G, threatened action or proceeding affecting SCE&G before any governmental authority which purports to affect the legality, validity or enforceability of this Agreement as in effect on the date hereof.

15.3 Survival of Representations and Warranties. All representations and warranties made by Customer and by SCE&G in or under this Agreement shall survive the execution and delivery of this Agreement and any action taken pursuant hereto.

ARTICLE XVI DISPUTE RESOLUTION

16. The Parties shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by use of the following procedures, in the order listed below.

16.1 Initiation of Process. Should any dispute, controversy or claim, involving or related to this Agreement or its performance, prove incapable of being resolved by the Interconnection

Committee where applicable or by such other representatives of the Parties normally responsible for administration of this Agreement, such dispute shall then be sought to be resolved by negotiations between senior executives of the Parties who have authority to settle the controversy. The disputing Party shall give the other Party written notice of the dispute. Within twenty (20) calendar days after receipt of said notice, the receiving Party shall submit to the other Party a written response. The notice and response shall include (i) a statement of such Party's position and a summary of the evidence and arguments supporting its position, and (ii) the name and title of the executive who will represent that Party. The executives shall meet at a mutually acceptable time and place within fifteen (15) calendar days of the date of the receipt of the Party's written response to the notice and thereafter as often as they reasonably deem necessary to exchange relevant information and to attempt to resolve the dispute.

16.2 Mediation. If the dispute has not been resolved pursuant to Section 16.1 within sixty (60) calendar days of the disputing Party's notice, or if the Party receiving said notice fails to name an executive that meets the above requirements or fails to submit a written response within the twenty (20) day period specified, or either Party cannot or will not meet within the time period specified, either Party may initiate mediation of the dispute in accordance with the Construction Industry Mediation Rules of the American Arbitration Association ("AAA"). In the event the Parties cannot agree to a mediator, the mediator shall be selected from the AAA Roster of Neutrals.

16.3 Arbitration. If the matter has not been resolved pursuant to the aforesaid mediation procedure within sixty (60) calendar days of the initiation of such mediation procedure, or if either Party refuses to participate in the mediation, the controversy shall be settled by arbitration in accordance with the Construction Industry Arbitration Rules of the American Arbitration Association ("Rules") mutually agreed by the Parties, or failing such agreement pursuant to the Rules by a sole arbitrator, if the claim or dispute involves less than \$100,000; or, if the dispute involves \$100,000 or more, three arbitrators, of whom each Party shall appoint one and the third shall be appointed by the first two arbitrators named by the Parties and shall act as the chairperson of the arbitral proceedings.

16.4 General Rules and Procedures. The place of arbitration shall be Columbia, South Carolina. Except to the extent the Parties' remedies may be limited by the terms of this Agreement, the arbitrator(s) shall be empowered to award any remedy available under the laws of the state of South Carolina. The decision of the arbitrator(s) pursuant to Section 16.3 shall be final and binding. The dispute resolution procedures in this Article XVI shall be the sole and exclusive procedures for the resolution of disputes between the Parties arising out of or relating to this Agreement; *provided, however*, that a Party may seek a preliminary injunction or other preliminary judicial relief if in its judgment such action is necessary to avoid irreparable damage. Despite the seeking of a preliminary injunction or other preliminary judicial relief, the Parties shall continue to participate in good faith in the procedures specified in this Article XVI. Judgment rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. All applicable statutes of limitation shall be tolled while the procedures specified in this Article XVI are pending. The Parties will take such action, if any, required to effectuate such tolling.

16.5 Continued Performance. During the conduct of dispute resolution procedures pursuant to this Article, the Parties shall continue to perform their respective obligations under this Agreement.

ARTICLE XVII
SEVERABILITY AND RENEGOTIATION OF MATERIAL PROVISIONS

17. Severability. In the event that any provision of this Agreement or the application thereof, shall be held invalid, illegal or unenforceable under applicable law, by FERC or any court or arbitrator having jurisdiction, the remainder of such provisions and their application shall not be affected thereby and shall remain in full force and effect. If the invalidation of the provision would deprive a Party of a material benefit under this Agreement, the Parties shall negotiate in good faith to substitute a new term for the invalidated term and otherwise to amend the Agreement as necessary to effect the purpose of this Agreement and to restore the balance of consideration under this Agreement to the extent permitted by applicable law. If the Parties are unable to reach a mutually agreeable resolution of such matters, they shall submit the matters for resolution under Article XVI of this Agreement. This provision shall apply where a provision of this Agreement is rendered invalid, illegal or unenforceable due to changes in statute or regulation, including, but not limited to, those resulting from federal or state restructuring of the electric industry.

ARTICLE XVIII
MISCELLANEOUS

18.1 Waiver. Any waiver of a Party's rights with respect to a breach or failure of a Party to comply with any of the terms or conditions of this Agreement shall not constitute a future waiver or relinquishment of the right to enforce such terms or conditions. In the event a Party has a need to disclose information to a Lender or potential lender, or in the event either Party has a need to disclose information to an assignee or transferee, or potential assignee or transferee, said Party shall not so disclose any confidential or proprietary information of the other Party unless and until the party or parties that will receive the information have executed a confidentiality agreement customary for transactions of the type contemplated hereby. 18.5 Survival of Obligations. In order to give the Parties the benefit of their bargain under this Agreement, the terms and conditions of this Agreement, including, warranties, remedies, and indemnities, shall survive (for a period required by applicable law) the cancellation, expiration or earlier termination of this Agreement, and the Parties shall not be relieved of any obligations incurred prior to such cancellation, expiration, or termination.

18.6 Complete Agreement; Amendments. The terms and provisions contained in this Agreement and the Operating Agreement constitute the entire understanding and agreement between SCE&G and Customer and shall supersede all previous and contemporaneous communications, representations, or agreements, either verbal or written. No amendment or modification to this Agreement shall be binding unless it shall be set forth in writing and duly executed by both Parties.

18.7 Binding Effect. This Agreement, as may be amended from time to time pursuant to Section 18.6, shall be binding upon and inure to the benefit of the Parties and their respective legal representatives, successors-in-interest and permitted assigns.

Filed to ~~comply with~~ order of the Federal Energy Regulatory Commission, Docket Nos. ER03-1398-003, et. al., ÷

South Carolina Electric & Gas Company,

106 FERC ¶ 61,265 (2004) (March 22, 2004) 118 FERC ¶ 61,185 (March 7, 2007)

~~Docket No. ER03-1398-000~~

interconnection(s) as identified by the FERC in its March 22, 2004 order in Docket No. ER03-1398-000, 106 FERC ¶ 61,265 (2004). The actual costs for the New Capital Additions shall include interest accrued on the total cost of constructing the New Capital Additions at the end of each month during construction calculated at the Delayed Payment Rate. The Monthly Facilities Fee set forth in Section 7.3 hereof shall be adjusted to include the costs of New Capital Additions (that are the responsibility of Customer) in the actual costs to which the Facilities Fee Charge Multiplier, as defined in Section 7.3, is applied.

7.2.1 Credits for Transmission Facility Upgrades Required for Interconnection. Customer shall be entitled to transmission credits, equal to the total amount paid to SCE&G for the Transmission Facility Upgrades Required for Interconnection, including any tax gross-up or other tax-related payments associated with the Transmission Facility Upgrades Required for Interconnection, to be paid on a dollar-for-dollar basis for the non-usage sensitive portion of transmission charges with respect to the utilization of the Transmission Facility Upgrades Required for Interconnection, as payments are made under SCE&G's OATT for transmission services with respect to the Facility. ~~Customer's device that utilizes the Transmission Facility Upgrades Required for Interconnection.~~ The credits shall be applied on a percentage basis based on the metered use of the Transmission Facility Upgrades Required for Interconnection. Any time there is a reservation for transmission service but no metered use, credits shall be applied against 70 percent of the total charge for such transmission reservations because the capacity of the generators that utilize the Transmission Facility Upgrades Required for Interconnection represents 70 percent of the Facility's total capacity. Transmission credits shall be applied until such time as ~~the cost of all amounts advanced to SCE&G by Customer for the Transmission Facility Upgrades Required for Interconnection~~ have been fully offset, after which time such offset or credits shall no longer apply. Alternatively, SCE&G may, at its sole discretion, choose to repay to Customer any amounts advanced by Customer for Transmission Facility Upgrades Required for Interconnection not credited to Customer at any time. Any credits shall include interest calculated in accordance with the methodology set forth in FERC's regulations from the date of the payment for the Transmission Facility Upgrades Required for Interconnection until the date the credit is applied. Customer may assign its rights to credits or repayment hereunder to any person.

7.3.1 Monthly Facilities Fee. Customer shall pay to SCE&G a monthly fee ("Monthly Facilities Fee") that will cover SCE&G's Maintenance, repairs, property tax, miscellaneous taxes, and insurance, for SCE&G's Interconnection Facilities, not to include Transmission Facility Upgrades Required for Interconnection, for the Term of this Agreement, beginning with the calendar month following SCE&G's Interconnection Facilities In-Service Date. The Monthly Facilities Fee shall be payable no later than the tenth day of each month. To the extent that SCE&G's Interconnection Facilities are utilized by one or more third parties, the Monthly Facilities Fee shall be prorated to account for the usage by such third party(ies). The Monthly Facilities Fee shall be the sum equal to the Actual Costs as determined pursuant to Section 7.1.2 (as may be adjusted pursuant to Section 7.2) multiplied by the Facilities Fee Charge Multiplier of 0.225% per month. The Parties acknowledge and agree that the Facilities Fee Charge Multiplier has been agreed based on an overall balance of consideration of the terms of this Agreement. Prior to final resolution of the Actual Costs in accordance with Section 7.1.3, the Monthly Facilities Fee will be calculated and applied based upon the good faith estimate for SCE&G's Interconnection Facilities set forth in the Interconnection Study as revised by Exhibit 1A, which is \$7,837,659. Following said final resolution of the Actual Costs, the Monthly Facilities Fee
